

YOU WILL NOT FLY.....

40% of the population of the UK are afraid of flying - 25 million Americans are afraid to fly, one in six of the adult population - so you are not alone.

The most important thing to try and achieve when planning a no flying holiday is to make your travel arrangements part of your holiday. Take time to get to your destination - stay a day or two en route and if possible take a different route back after your holiday.

[How planeless can be painless...](#) Perhaps you think that if you can't travel by plane, you can't get much further than Calais. But think again... have you ever thought of your fear of flying as the perfect excuse to rediscover the art of travel that the airline-travelling masses have almost forgotten..?

In Europe and further afield, there are some excellent networks of coaches, trains and ferries. For example: you can holiday in Majorca, Ibiza and Corsica without flying, ([no fly holiday page](#)) there are many ferry services from the mainlands of France and Spain. Or you could use the Euro Tunnel Shuttle ([Rail Europe](#)) or ferries to go to Europe and further. Then perhaps hire a car, caravan, or camper and tour for your holiday.

Don't just see Europe, do Europe! With [Busabout](#) you are totally in control to plan your travels. We provide the transportation and On-Board-Guides to point you in the right direction, and our 70-city network gives you the freedom to explore as much or as little of Europe as you want. It's the flexible holiday experience which lets you do Europe your way! [CLICK ON THE BANNER TO GO TO BUSABOUT.](#)

Long airport check-ins, delays and luggage restrictions - travel by sea and you won't have to worry about this.

[P&O Ferries](#) offers you the freedom to take your car to Europe from a choice of 4 ports; Dover to Calais, Hull to Zeebrugge; Hull to Rotterdam or Portsmouth to Bilbao. You can travel from Dover to Calais any duration from £25 each way car and up to 9.
